

THE ETERNAL SEASON OF WISDOM

The Springs

INTERNATIONAL SCHOOLS

Affiliated to CBSE (No.931302)

PRONOUNCING MISSION

MISSION: The Springs International School's mission is to provide a multicultural educational environment for our students in which they achieve personal growth through academic excellence and become socially responsible and active global citizens retaining learning as a life-long process. **VISION:** The springs makes children competent to achieve excellence in a wide range of academic ,moral, intellectual, cultural and physical activities. Children will recognize their responsibility and achieve their fullest potential, so that they can make their best contribution to society enabling them to address all challenges.

WHO WE ARE

THE SPRINGS INTERNATIONAL SCHOOLS, Nilambur and Manjeri are owned and floated by PKM Educational and Charitable Trust, Manjeri. The chief aim of the Trust is to provide a world class learning atmosphere, affordable to the public. The PKM Trust comprises of a group of voluntary social servants including doctors and educationalist. The Chairman of the Trust, Dr. P. Abdu Razak, is both a veteran physician as well as a humanist, He is the founder of The PKM Hospital in Pandikkadu, Kerala. The director of the Trust, Dr.Siyad, is a well-known paediatrician and educationalist.

The PKM Education Trust is bound to the principle of creating an educational community that strives for excellence. We prepare students to learn beyond their school years and assist them to become lifelong learners. They are trained to be self-directed, realistic, and responsible decision-makers while facing the problems that they will encounter in our multicultural, ever-changing world. Ultimately, each student will gain from their life at school according to the effort they apply. In order to nurture a child with a global perspective and global competence, a world-class campus is essential.

TIRELESSLY
AHEAD

WHY WE ARE

THE SPRINGS is not just another international school. It is a different world of education that offers high quality and challenging education programmes for students to prepare them for life in a globalised modern world. We offer CBSE syllabus alongside the international stream of curricular and co-curricular activities, which add to the young people with an international vision on life without sacrificing moral values and local culture. Our vast and beautiful campus and its international ambience definitely encourage pupils to become more active, compassionate, knowledgeable and lifelong learners.

GLEE OF
ELEGANCE

WHERE WE ARE

THE SPRINGS campus is located at Tana, near Mampad that is 5 km away from Nilambur in Kerala on the Calicut-Ooty state highway. Our campus is set idyllic; in a pristine 25 acre sprawling lush green hillocks. Learning in the earth friendly, spacious garden classrooms must be a novel experience. The serene atmosphere, light ambience, breezy gazeboes, manicured lawns together make learning a celebration with nature.

- THE ONLY GARDEN CLASSROOMS OF ITS KIND IN THE STATE
- JUST 100 KM AWAY FROM OOTY, THE QUEEN OF HILLS
- 8 KM AWAY FROM TEAK MUSEUM
- 3 KM AWAY FROM THE WORLD'S OLDEST TEAK PLANTATION
- 5 KM AWAY FROM NILAMBUR RAILWAY STATION
- 40 KM AWAY FROM CALICUT INTERNATIONAL AIRPORT

A CONCERTED RACE

CURRICULUM

The curriculum remains dynamic, comprehensive and most relevant. Along with the CBSE curriculum we include holistic educational system based on child development patterns. We follow a well structured working method with proven International methodologies.

- We follow activity- and fun-oriented method in primary classes that facilitate learning by doing where they do and remember. We have potpourri of activities to kindle their imagination and creativity.
- The secondary classes also follow activity method. The weekly public speaking sessions and table topic sessions help them to think on their feet and speak in view of improving their communication skills and presentation skills.
- Class wise Morning assembly gives them a chance to perform in front of the whole school that unleashes their hidden potentials. We encourage team work that helps them give and receive appreciation. They are encouraged to take up responsibilities that raise their self-esteem.
- Personality development classes, Public Speaking courses, debates and table talks mould them to be better citizens.

UNDER THE SPELL

PRIMARY PROGRAMME

Our play way method is the most suitable one for the blooming young kids as we blend Montessori with the traditional method of teaching that make children childlike not childish. At THE SPRINGS they feel at home because the care we give is incomparable and the pedagogical tool we use here is unconditional love. We believe that the learning must be natural and we create a natural environment for each child to learn. We believe even sky is not the limit for the children's creative imagination and growth. The supervision of pediatricians and student counselors are other outstanding features.

THE SOLEMN PITCH

CO-CURRICULAR ACTIVITIES

Co-curricular Activities are often considered to be very important for the all-round development of young boys and girls. These experiences and activities outside the class room help them work in teams, take initiative among themselves, experience leadership skills, improve interpersonal, communicative and other life skills that are directly related to their overall development. The Springs is unique in choosing co-curricular activities for our students. Our special programmes consist of;
